In a country far away
lives a king. He __________ clothes and he __________ all his money on them. He always __________ beautiful clothes.

He often __________ through the city to show his new clothes. He __________ a new coat every day.

One day two men __________ to the royal palace. They say they __________ tailors and they __________ to show the king their clothes: “We've got some beautiful clothes. They __________ magic clothes. Only clever people __________ see these clothes. Stupid people __________ see anything.”

“Those clothes __________ wonderful!” thinks the emperor. “When I __________ them, I can learn who __________ clever. Yes, make some clothes for me.” The emperor __________ the men a lot of money. The men __________ into the palace and __________ to work.

After some hours they __________ the king and say: “Your Majesty, look at this red jacket ... this white shirt ... these black trousers ... and these blue shoes. Do you like them?” The king __________ see anything. But he __________ to look stupid: “Oh, they __________ beautiful! I __________ them for the Royal Show on Saturday.

It __________ Saturday and the Royal Show (start) __________.

The king __________ on his white horse.
The people __________ in the street. They all __________ about the king’s new clothes. Everyone __________: "Look at the emperor’s new clothes! They __________ wonderful! They __________ so many colours!"

No one __________ to be stupid. The people in the city __________ this clothing more than any other clothing the emperor __________.

Finally a little child __________: “But he has nothing on!” and "Oh, what are you saying?” __________ his mother.

Now everyone __________, "It's true, he has nothing on!"

It’s __________.

new clothes.
him, looking at the His
behind
ministers
did the king’s
finish my walk.” And
clothes, but I must
right? Maybe I’m
stupid? Or they’re
me? Are they all
right? "Why
laugh. The king
to
off” and they
true, he has nothing
